I am K.R. Rajeshwari. I have cleared clerical exam because of Uma Shankar Academy. I am unaware about the bank exam till I join this academy. After joining this institution, I came to know about the exams and ways to crack it. Uma Shankar Sir taught us the shortcuts and the way to approach the questions in the exam. He gave us enough set of practise to solve the question, which only helped to save time during the exam. After joining the academy, I came to know about the various Banking Job available. He even gave us various inputs to all students in various subjects. I learnt that only practise helps us to crack the bank exam from this Academy.
